FAQ

Q

What options do I have for paying for my preventive dental care?

A

Many patients are self-employed, retired, or are retiring soon and don't have dental insurance, so Dr. Valdes Garcia created our membership club to help them get great dental care and save money on their needed and elective treatments

Q

What is the cost to become a member?

A

Dr. Valdes Garcia recognized the high cost of dentistry would be easier to pay for spread out over the whole year. This way, you get great care with a low monthly subscription starting at \$20 for kids, \$30 for adults and \$39 for adults with gum disease. Also with her club you save as much as \$500 off annual costs.

Q

How do I sign up?

A

Come visit us, we will help set up your plan and answer any questions you may have.

LEGAL & DISCLAIMERS Membership clubs are not insurance but a payment arrangement provided by South Florida Dentistry for services rendered. Memberships are provided exclusively to uninsured patients of our practice and shall not be considered pre-payment for future services or payment for access to discounted services. Rather, our patient members are electing to make regular monthly subscription payments for preventive care instead of paying at the time of each service. Payment for any cosmetic or restorative treatment is due at the time of service. Membership dues must be current in order to receive services. A lapse of 28 days in dues will require a reactivation fee of six months' dues. Membership club discounts may not be combined with any other offers or discounts. It is solely the patient's responsibility to schedule and keep their appointments. No refunds will be provided for dues paid under any circumstances, including failure to schedule and maintain appointments. A patient member's monthly agreement is with the legal entity of Your Practice Name. Monthly dues and fees for dental services may change at any time. Payment management services are provided by Illumitrac™.
